SUMMARY: The RHS JROTC Program, led by the Service Learning Team, hosted a Blood Assurance Blood Donation Drive in the RHS Gymnasium with a goal of 91 donations. Through their efforts, the SLT with support of the programs cadets coordinated the event, managed the set-up and tear-down, and manned the sign-in, sign-out and snack stations for the event. As a result of their efforts, Blood Assurance was able to collect 124 donations which equates to saving 372 lives.
