1. Check-In

2. December 02, 2019- Minutes review and approved.

3. Grievance Procedure HUM-P022 suggested revisions reviewed.

- 5.4.1- providing at least 5 days notice if a professional organization rep will be in attendance so that a level director can also attend.
- Replaced “conference” with “resolution meeting”
- 5.6.2- eliminated “immediate”
- All agreed to revisions; this policy will be implemented immediately.

4. Budget Updates

- Handout provide and reviewed regarding the pieces of the budget and the process

5. Vanderbilt Survey

3 Key points

1. 56% disagree or strongly disagree: “I am able to use assessments & tasks without modifying.”
Discussion of the belief that DBL units are required by the district to be implemented.
Discussion of the Teacher Bill of Rights and a teachers’ degree of autonomy being respected.
Discussion of the creation of blended learning lessons as an example of integrated lessons.
2. 38% disagree or strongly disagree: “I am able to deliver a high quality lesson with materials as they are.”
3. 34% disagree or strongly disagree: “My curriculum instructional materials are engaging to my students.”
In summation, these survey questions support the need to be able to modify curricular materials. Some teachers feel that CCTs have mandated the use of DBL.
Elementary math teachers would like more assessment & curricular resources created for them.

6. Next meeting February 24; possible topics

- Budget update
- Vanderbilt Survey
- TN Comptroller salary study-potential new report?
