**Job Title:** Technology Coordinator

**Department:** Technology

**Date:** November 2019  
Officer

**Reports to:** Chief Technology

**Administrator Grade:** 502

---

### **Purpose of Job**

The purpose of this job is to develop, implement, and maintain a technology plan that will enable the District to implement a technology curriculum for students; develop and implement classroom models to improve student achievement, and manage technology resources for the school system.

### **Essential Duties and Responsibilities**

**The following duties are normal for this job. These are not to be construed as exclusive or all-inclusive. Other duties may be required and assigned.**

Leads project management as it relates to technology needs (hardware/software/telephone systems) for all new and existing District schools and buildings.

Establish technology planning and implementation strategies for the District.

Coordinate the development of the District's five year replacement cycle according to the technology plan. (Submitted to State of Tennessee and satisfies Federal Erate requirements).

Consults with and acts as District liaison to teachers, principals, supervisors, and schools in the field of technology.

Evaluate and review the District's needs at all instructional levels concerning technology, providing direction of programs dealing with curriculum, as well as classroom and building needs.

Develop appropriate technology (hardware/software) purchasing strategies related to current and future curriculum technology needs of the system.

Provides leadership in the identification, selection, and implementation of technology integration at all District levels.

## **Technology Coordinator**

Coordinates and manages online auction to maximize return of investments (ROI) of technology assets.

Review District's goals, objectives, and strategies concerning current and future funding sources relating to technology budgets, to appropriately meet the needs of the replacement cycle.

Coordinates telephone system/equipment redesigns, repairs, installations, and telephone programming to ensure that service and equipment providers are meeting the needs and operational ability of the District.

Serve as E-rate coordinator.

Coordinate completion of the Technology in Education Survey System (TESS) for the Tennessee Department of Education.

### **Additional Job Functions**

Perform other duties as required.

### **Minimum Training and Experience Required to Perform Essential Job Functions**

- Minimum Bachelor's Degree with three to five years work experience in technology-related fields and/or the field of education.
- Classroom teacher with experience in computers preferred.
- Experience with large and small scale project management assignments.

### **KNOWLEDGE OF JOB**

Has general knowledge of the policies, procedures, and activities of the School System as they pertain to the performance of duties relating to the job of Technology Coordinator. Has general knowledge of project management practices as necessary in the completion of daily responsibilities. Knows how to develop and administer operations and staff plans and objectives for the expedience and effectiveness of specific duties of the department. Knows how to keep abreast of any changes in policy, methods, equipment needs, etc. as they pertain to departmental operations and activities. Is able to effectively communicate and interact with supervisors, members of the general public and all other groups involved in the activities of the department. Is able to assemble information and make written reports and documents in a concise, clear, and effective manner. Have good organizational, human relations and technical skills. Is able to use independent judgment and work with little direct supervision when necessary. Has the ability to comprehend, interpret, and apply regulations, procedures and related information. Has comprehensive knowledge of the terminology, principles, and methods utilized within the department. Has the mathematical ability to handle required calculations.

**(ADA) MINIMUM QUALIFICATIONS OR STANDARDS REQUIRED TO PERFORM ESSENTIAL JOB FUNCTIONS**

**PHYSICAL REQUIREMENTS:** Must be physically able to operate a variety of office machines and equipment, such as telephones, computers, and peripherals, typewriters, copiers, adding machines, intercom systems, etc. Must be able to use body members to work, move, or carry objects or materials.
