H.P.D. 8
D.P.Y. 260**

Job Description

Date Reviewed: October 2022

Reports To: Chief Financial Officer

Purpose of Job

The purpose of this job is to perform management-level accounting and decision making functions in a centralized accounting operation for a county wide school system using knowledge of governmental accounting principles and practices. Major areas of responsibility include providing accounting and reporting services for a multi-fund environment in the areas of federal projects and grants, providing guidance and support to federal and grant program directors regarding budgets and financial compliance issues.

Essential Duties and Responsibilities

The following duties are normal for this job. These are not to be construed as exclusive or all-inclusive. Other duties may be required and assigned.

Ensures that accounting and payroll records related to federal projects and grants are maintained accurately and in accordance with generally accepted governmental accounting standards

Advises program staff on State and Federal policy affecting the fiscal administration of grants for the district.

Provides full-charge accounting and reporting services for all federal projects and grants. Ensures compliance with all federal and state reporting requirements. Must be knowledgeable of the Office of Management and Budget (OMB) Uniform Grant guidance and able to interpret and apply the requirements. Assists in researching and resolving questions regarding the application of requirements.

Responsible for monthly and quarterly reporting using State and Federal systems (e-plan, FACTS, Wide Area Workflow, etc.)

Works closely with federal and grant program directors regarding financial compliance and fiscal operations of the grant. . Ensures that budgets are aligned with the scopes of work and establishes accounts for the approved grant budget to facilitate the management of the grant or project. Monitors account balances, oversees budget amendments and ensures that budget reporting to the State is in compliance.

Participates in the evaluation of new grant proposals to determine worthiness of development and application by providing feedback as to potential fiscal management concerns.

Responsible for cash management of federal funds by monitoring cash flow and making timely requests for funds.

Assists with preparation of the federal projects budget to include the federal payroll schedule which consists of:

- Reconciling FTE positions from position control to the payroll schedule and payroll records
- Forecasting salaries
- Configuring related benefits.

Verifies funding availability and assigns account number assignment for federal and grant positions. Obtains federal time and effort certifications.

Consults with State and Federal Consultants at the Tennessee Department of Education.

Responsible for staying up to date and implementing new requirements for federal grants and reporting. Maintains professional and technical knowledge by attending annual fiscal training and webinars throughout the year.

Performs year-end close out procedures to include duties such analyzing encumbrances, calculating indirect cost, and analyzing starting budget balances. Prepares and submits FERs (Final Expenditure Reports) in State Dept. ePlan system at year-end.

As needed, reviews the work submitted by the Business Affairs ESSER Senior Accountant for accuracy and completeness.

Reviews federal sections of the draft financial statements and schedules, particularly the grant schedule, for accuracy and completeness prior to the Finance Director and Chief Financial Officer signing the acknowledgement form for the auditors.

Consults with Business Affairs leadership concerning problems with existing software applications and enhancements to enable the accounting and payroll operations to work more efficiently.

Researches and resolves problems of the most complex difficulty pertaining to all aspects of fiscal services. Provides technical advice to staff, department heads and principals.

Provides assistance to auditors by identifying requested information and answering inquiries. Oversees fiscal aspects for scheduled monitoring of programs and grants.

Provides Uniform Grants Guidance Guidelines and any updates to Continuous Improvement personnel to maintain on CMCSS website.

Continuously analyzes operations to streamline accounting processes and improve efficiencies.

Works with the Finance Director to establish supervisor workflow routing for all federal projects and grants; annually or as new projects are added.

Approves federal requisitions in excess of \$20,000 once verifying non-disbarment vendor status in www.sam.gov.

Works with school bookkeepers to provide assistance for the school level federal budgets and advises best practices for federal funds to include semi-annual training.

Trains new Sr. Federal Accountants on uniform grant guidance, ePlan, and grant procedures.

Serve as back up for ESSER Sr. Accountant and provides guidance and support as needed.

Additional Job Functions

Performs other duties as required.

Minimum Training and Experience Required to Perform Essential Job Functions

A Bachelor's degree in accounting or in a related field with 24 semester hours of accounting coursework. Experience equivalent to three years or more in accounting. Any equivalent combination of education, training, and experience which provides the requisite knowledge, skills, and abilities for this job may be substituted. Experience with federal/grant management is preferred.
