Job Description

Date Reviewed: August 2018

**Reports To: Senior Accountant-
Payroll Supervisor**

Purpose of Job

The purpose of this job is to perform staff-level accounting and decision making functions . Major areas of responsibility include fiscal services operations related to payroll for the school system. The Accountant supports the activities of the Senior Accountant – Payroll Supervisor by performing problem solving and decision making activities and assisting with training and support to the individuals in the payroll department.

Essential Duties and Responsibilities

The following duties are normal for this job. These are not to be construed as exclusive or all-inclusive. Other duties may be required and assigned.

Assists the Senior Accountant - Payroll Supervisor in ensuring that accounting and payroll records are maintained accurately and in accordance with generally accepted governmental accounting standards.

Assists with coordination for the delivery of payroll in a timely and proficient manner. Assists with directing the work of payroll staff and providing advice and necessary training.

Assists Senior Accountant-Payroll Supervisor in preparing employee calendars for 26 different groups of employees. Calendars identify scheduled schoolwork days, reporting periods, pay schedules, etc... Makes revisions to calendars throughout the school year as necessary.

Prepares monthly and quarterly reports for the Tennessee Consolidated Retirement System, IRS and others as required.

Assists with year-end close out procedures and new year processes, such as accrual processing and step increases.

Consults with Information Systems personnel concerning problems with existing software

applications and enhancements to enable the payroll operations to work more efficiently.

Keeps up to date with all state and federal. Wage and Hour laws and regulations that may impact the payment of wages.

Assists with ensuring that time and attendance software functions properly, and maintains accurate payroll information.

Provides technical assistance and guidance regarding use and functionality of the financial software package used by the school system.

Reconciles wage data and coordinates the printing and distribution of W-2's and 1095's annually. Electronically submits the W-2 and 1095 files and maintains documentation of successful transmission. Follows up on any discrepancies.

Prepares the accrued compensated absence report at year end for auditor use. Compiles data from the payroll system into an excel spreadsheet and configures into a roll-forward report. Investigates any discrepancies.

Maintains an advanced knowledge of the district's time and attendance software and assists with set up in the system and reviewing for valid data transfer to the payroll system.

Knowledgeable in all aspects of the payroll officer position in order to serve as a back-up for absences or peak time periods.

Maintains a comprehensive working knowledge of the district's enterprise resource planning system (MUNIS). Performs a significant role in MUNIS problem identification and coordinates problem resolution activities for the payroll department with the software vendor.

Provides technical advice to staff, department heads and principals. Provides assistance to auditors by identifying requested information and answering inquiries.

Maintains professional and technical knowledge by attending educational workshops.

Continuously analyzes operations to streamline payroll processes and improve efficiencies.

Additional Job Functions

Performs other duties as required.

Minimum Training and Experience Required to Perform Essential Job Functions

A Bachelor's degree in accounting or in a related field with 24 semester hours of accounting coursework. Experience equivalent to four years or more in accounting. One of the four years must have been in the business department of a local education agency. Additional years of qualifying experience may be substituted for each year of the college requirement.
