CLARKSVILLE, TENNESSEE
CLASSIFIED JOB DESCRIPTION**

Job Title: Float Accounting Technician-ISA**Department: Business Affairs**

**Grade I
H.P.D. 8
D.P.Y. 215**

Job Description**Date Reviewed: July 2019****Reports To: Accounting Specialist****Purpose of Job**

The purpose of this job is to perform as a Float Accounting Technician in the general accounting and administrative duties in the School System using knowledge of accounting principles and practices as outlined in the *TN Internal School Uniform Accounting Policy Manual* and school board policy. Reports to Accounting Specialist. When employee is assigned to a school, daily supervision will come from the Principal, or Accounting Specialist. Float Accounting Technician must be flexible in regards to work sites as they may experience multiple work sites in a short time period. If asked to report to multiple work sites in one day reimbursement will be provided for mileage from the initial site to other locations. Duties and responsibilities include full-charge bookkeeping of an individual school account (I.S.A.), reconciling and budgeting monies received and disbursed from school accounts, budgeting and tracking various allocations from the Board of Education and from fund raising events, purchasing, and assisting in coordinating general office procedures. Also serves as liaison for outside organizations such as P.T.A., P.T.O., Booster Clubs, Partners-In-Education, Athletic officials through TSSAA and others.

Essential Duties and Responsibilities

The following duties are normal for this job. These are not to be construed as exclusive or all-inclusive. Other duties may be required and assigned.

Responsible for bookkeeping activities at the school. Must maintain knowledge of the TN Internal School Uniform Accounting Policy Manual and school board policy and be able to interpret and apply the requirements. Advises administration and staff on accounting policies as necessary in order to maintain compliance and ensure that internal controls are being followed.

Primary individual responsible for verifying for accuracy and completeness the automated time and attendance records for staff at the school. Inputs information as necessary, reconciles absences and investigates any discrepancies. Oversees technical problems with computer and time clock entries.

Manages substitute teachers through the sub program by requesting substitute if teacher was unable to make arrangements, ensuring that all substitutes reported and all teachers are covered. Verifies substitute time

Completes and/or verifies Professional Leave forms for administrators and staff to insure accuracy and compliance with CMCSS travel policies. Assists with travel arrangements, verifies all required documents upon completion of travel, and handles reimbursements of travel expenses.

Maintains a comprehensive working knowledge of the accounting software. Consults with vendor to resolve issues with the system.

Compiles and prepares local, state and federal reports and data within established timeframes.

Prepares and processes accounts payable; maintains accounting records in the payment of approved invoices and distribution of checks to vendors. Researches and responds to any questions regarding invoices and clarifies proper procedures for submitting items for payment.

Prepares and maintains required statistics, records, files, documents and reports for administrative purposes.

Accounts for non-routine transactions, allocations, corrections and charges by preparing and posting journal entries.

Reconciles and submits monthly and quarterly ISA financial reports to Central Office Accounting Department, and files copies with school records for yearly audit by outside accounting firm.

Serves as administrative liaison, works collaboratively and provides assistance to department / Central Office supervisors, administration, faculty, parents, and students.

Serves as liaison for School Support Organizations, verifying compliance of organizations with state laws, by requesting and maintaining documents, such as charters, by-laws, bank statements and other required documents and monitoring monthly bank statements for accountability.

Uses various office machines/equipment to prepare reports and other documents; processes checks; compiles and computes numbers for reports and statistics.

Maintains office equipment-submitting requests for maintenance and repair, and ordering supplies for equipment.

Collects for lost or damaged texts. Processes reimbursement when books are found.

Enters and reconciles ISA textbook data with Central Office software, and prepares end-of-year reports.

Creates sub-accounts for all certified personnel in order to post and monitor all financial transactions by individual teacher. Reconciles teacher's monthly and daily deposit receipts. Notes and investigates any discrepancies. Prepares monthly financial report for each teacher documenting

receipts and disbursements and available account balances.

Serves as school site coordinator for procurement card and online purchasing program. Issues cards upon request subject to fund availability, appropriateness of the purchase request and spending guidelines as outlined in the Procurement Card Procedure. Reconciles financial transactions with the bank's monthly billing statement.

Uses knowledge of various software programs to operate a computer in an effective and efficient manner.

Prepares, maintains and accounts for tickets issued through athletic, class and club accounts at the Middle & High School level. Balances report, obtains necessary signatures and submits a copy to Central Office after each event.

Computes ticket reconcilements and records said deposits.

Prepares bank deposits; disburses accounts payable; reconciles individual school accounts.

Enters accounting data into computer files; prepares and submits monthly financial reports; prepares school accounting records for annual audit.

Responds to questions regarding invoices, entries on monthly reports or procedures for properly submitting items for payment.

Prepares and submits purchase orders to include soliciting bids when appropriate, issues P.O. to vendors for school and teachers, and processes orders for textbooks and teacher materials.

Manages board funds (General Purpose, Federal Funds and grants) allocated to the school but accounted for by Business Affairs. Enters requisitions for purchase orders into financial software system. Enters receiving data when merchandise arrives. Communicates with Business Affairs accounting staff regarding closing purchase orders and paying invoices.

Manages school picture days (2 per year at elementary school) by scheduling dates, assisting the photographer with set up and classroom picture sessions. Coordinates with teachers for collection of orders. Copies and sends orders to photographer. Distributes pictures and resolves problems. Reconciles picture orders and verifies commission

Coordinates site based staff development by completing contracts, arranging for supplies and materials and event set up.

Coordinates transportation for school and extra-curricular activities by entering information into trip planner system to schedule the trip and then entering data after the trip in order to close out the trip and provide information for the payment of transportation employees and trip invoicing.

Manages debts owed to the school by recording information into student information system (Power School) and blocking access to system until the debt is collected. Responsible for receipting the debt upon payment and updating information and access in the system.

Verifies, receipts and deposits all funds for internal school activity funds.

Processes requests and maintains records for Waivers of Student Fees.

Inventories and orders supplies for office. Processes, sorts and distributes warehouse supply orders. Receives and verifies orders from outside vendors. Delivers or arranges delivery of merchandise to requestor.

Prepares outgoing mail with postage, and maintains postage logs.

Additional Job Functions

Performs other duties as required.

Minimum Training and Experience Required to Perform Essential Job Functions

Two years of college with a minimum of twelve semester hours in accounting and a minimum of two years bookkeeping or related experience. Additional years of related experience may be substituted for each year of the college requirement; or a Bachelor's degree with 18 semester hours in accounting coursework.
