Job Title: Route Analyst

Department: Transportation

Grade I
H.P.D. 8
D.P.Y. 260

Job Description

Date Reviewed: October 2024

Reports To: Transportation Manager

Purpose of Job

The purpose of this job is to perform as a Route Analyst for Regular Education and Special Education drivers and bus aides within the School System. A Route Analyst provides safe, efficient, rapid, convenient, and economical transportation for all students within the school district. The Route Analyst is to utilize the application of technology and geographical knowledge in regards to the planning, functional design, operation and management of bus routes for bus drivers and bus aides. Duties and responsibilities include providing transportation information and routing data to drivers, bus aides, parents and schools. Assist the Dispatcher with dispatching all buses, training classes and other departmental duties. Assisting the department with resolving all routing issues i.e., bus stops, student information, zoning and time schedule.

Essential Duties and Responsibilities

The following duties are normal for this job. These are not to be construed as exclusive or all-inclusive. Other duties may be required and assigned.

Receives written, telephonic, and electronic requests from parents, school staff, and transportation staff related to the establishment, or change, in bus routes, bus stops, school zoning, Etc.

Coordinate with other departments (i.e., special populations, Families in Transition (FIT), College Ready, and other district-wide programs) to meet special transportation needs for 1,500+ students. Must maintain; a Commercial Driver's License (CDL) with passenger and school bus endorsements, annual DOT, and operate a school bus transporting student to and from school as needed.

Assists in support of 275+ bus drivers; in the daily operation of 700 bus routes, 10,000+ bus stops, and 39,000+ enrolled students.

Develop and execute formulas to estimate the number of buses needed year to year.

Maintain a current record of all students utilizing special transportation.

Uploads Bus Route Locator data daily to be placed on the internet for use by parents and school staff to determine bus schedules for students.

Prepares bus routes for GPS tracking.

Processes annual applications and reports related to special programs (Synergy & High Roads), Families in Transition (FIT), and other specialized transportation for Tennessee School for the Blind (TSB/TSD) reimbursement.

Communicates any changes to a bus route with the parents, school staff, and transportation staff, including bus driver and bus aide, in a timely manner.

Design, maintain, monitor, and analyze arrival, layover, and departure times, student load data, driver input, and other related information to implement routing and scheduling adjustments that ensure the safety and efficiency of school bus transportation.

Prepares and maintains required reports and records, including but not limited to surveys, route sheets, accountability sheets, and route/stop change documentation, while ensuring privacy and confidentiality compliance.

Updates map and parcel points in routing software with the latest GIS map updates; communicates with technology and routing software support team for updates and software issues.

Coordinates with Safety in researching roads and residential locations for the safe travel and transport of school buses and students.

Assist with projections for new schools as required by researching school zones to include site visits to all areas, as needed, requiring bus service. Collecting data for students that will be affected by the rezoning.

Keep up with new housing development plans in order to properly anticipate new bus capacity needs. Establish routes based on development.

Meet with individual and small groups of bus drivers to discuss how to best serve the transportation needs of the students in the district.

Prepare and present a routing presentation for the in-service for bus drivers and bus aides/monitors.

Coordinates transportation for specialized projects such as state testing, after-school programs, summer school for regular education and special education students, Teacher community routes, pandemic/state of emergency plan, inclement weather road closures, emergency school closings, etc.

During dispatch hours, monitor the two-way radio with the drivers to assist with lost children, closed roads, vehicle accidents, etc.

Assist in dispatch during emergency school closings and etc.
