Job Title: Onsite Licensed Mental Health Professional

Department: Onsite

Grade	496
H.P.D.	8
D.P.Y.	260

Job Description

Date Reviewed: May 2021

Reports To: Onsite Employee Health and Wellness Clinic Manager and Assistant Clinic Manager

Purpose of Job

Onsite will provide licensed mental health providers in order to meet the social and emotional needs of employees and their families. Onsite will present a constant rotation of a high client caseload. A positive level of efficiency, flexibility, and good organization skills are necessary for this position. It is required for the candidate to hold the licensure of LPC-MHSP, LMFT, or LCSW. The providers will maintain a client schedule that consists of client visits outside of the standard workday (i.e. every other Saturday, weekend work, and early am / late pm visits).

Essential Duties and Responsibilities

The following duties are normal for this job. These are not to be construed as exclusive or all-inclusive. Other duties may be required and assigned.

- Creating of Onsite psychosocial paperwork / documents for clients.
- Uses EHR / EMR to keep client information entered and maintained for ongoing treatment. Completes necessary documentation for client visits and telephone encounters in a timely fashion (generally between 0-48 hours after inception).
- Uses appropriate methods to maintain the privacy of mental health concerns for all clients. Adheres to HIPAA and PHI regulations.
- Assists in the development of mental health paperwork and programs for Onsite clients and their families.
- Conducts biopsychosocial assessments for adults and children (ages 4 and up). Interviews individuals and gathers information regarding the mental and emotional health and well-being of clients- both children and adults, to assist, support, and maintain “a healthy client”. These areas are specifically focused in anxiety, depression, grief, loss, divorce, life transition, abuse, eating disorders, legal issues, PTSD, chemical / alcohol dependency, ADD / ADHD, OCD, overall coping skills, anger management, suicidal

- ideations, communication skills, behavior management, impulse control, household budgeting, and problem solving / skills teaching. This list is not exhaustive and could include further issues as they arise with clientele appointments.
- Creates and maintains a supportive and therapeutic environment to facilitate effective communication with clients.
 - Help clients manage personal and familial challenges utilizing evidence based treatment methods.
 - Offers and conducts small and large group training with revolving mental health educational subjects on a regular basis. These trainings will also include visits from local community mental health leaders.
 - Develops safety plans when abuse or neglect is suspected.
 - Develops emergency crisis plans and strategies for clients in crisis situations.
 - Promotes and supports collaboration among Onsite treatment team members.
 - Keeps Onsite Administration apprised of client load / client information at all times.
 - Supports clients by attending, communicating, participating, and making recommendations in team meetings regarding an effective client-centered medical home at Onsite.
 - Commits to the economical reduction of Onsite costs while maintaining a good level of quality client care.
 - Receives input from all Onsite clinical staff regarding client information and collaborates in all client treatment and progress.
 - Practices telehealth counseling and management under the direction and guidance of Onsite Administration.
 - Is highly ethical in all Onsite operations. This person will be required to complete a yearly ethics course at the choosing of Onsite Administration
 - When a client needs treatment beyond the scope of Onsite's operations, this person is responsible for assisting with referrals to qualified outside / external sources.
 - Assists the Clinic Manager and Onsite Administration in the development of new programs for the Onsite Employee Health and Wellness Clinic.

Additional Job Functions

- This person should be willing to receive concentrated training in areas for the benefit of Onsite Employee Health and Wellness. This may include but not be limited to training in the following areas: Mobile Crisis- Columbia Suicide Severity Rating Scale, Focused-CBT, EMDR, etc.
- Performs all other duties as required by Onsite Employee Health and Wellness Clinic Manager and Assistant Clinic Manager and when delegated by other members of Onsite Administration.

Minimum Training and Experience Required to Perform Essential Job Functions

It is **required** for the candidate to hold the licensure of LPC-MHSP, LMFT, or LCSW. The Onsite Licensed Mental Health Professional will maintain a client schedule that consists of client visits outside of the standard workday (i.e. every other Saturday, weekend work, and early am / late pm visits). Ideally, the person will be a member of a professional organization, such as ACA (American Counseling Association).
