OUTCOMES: STARTED THE YEAR OFF SMOOTHLY AND EFFECTIVELY BY SUCCESSFULLY ORIENTING NEW AND OLD CADETS TO THE ACTIVITIES WITHIN OUR PROGRAM.

August was a successful and event-filled month for the Clarksville High School Army JROTC Program. Having Battalion Leadership present at the CHS Freshman Orientation, and the Booster Club meeting, which ensured that our brand new cadets and parents became familiar with our goals for this school year. During our recent Car Wash, new cadets were given the chance to earn credits for their Fundraising Ribbon, while raising monies for the school year. Proceeds will go towards our Annual Army JROTC Military Ball and scheduled competitions. Further, our Drill and RAIDER Teams got a taste for the rest of the school year, with our Color Guard presenting the National Colors at the season opener home football game and participating in the first RAIDER meet at Kenwood High School. "GO WILDCATS!"
