September was an incredibly productive month for the Clarksville High School Army JROTC Program. Our LET IV Seniors attended a "Valor Breakfast" with local Veterans and Active Duty Soldiers, where they discussed the benefits of the military and the values most important to them. Our Color and Saber Guards were directly engaged supporting events such as the Wreath Laying Ceremony at the Traveling Veterans Wall, the Valor Luncheon, and many High School games. Cadets further built unit morale by volunteering at the Barksdale Elementary School Fall Festival and the Vanderbilt University football game fundraiser through the program called "FUNDING FOR EXCELLENCE", where proceeds will fund our annual AJROTC Military Ball on 16 March 2019. The final event of the month was the FORT CAMPBELL/Austin Peay State University ROTC RAIDER meet, where our team gave it their all!
