OUTCOMES: BETTER TEAMWORK AMONGST CADETS AND IDENTIFIES ABILITIES OF THE ROBOTS IN COMPETITION AGAINST OTHER ROBOTS

Saturday October 27, five robotics teams from Northeast High School went to Brentwood Academy to compete in the annual Brentwood Halloween Robotics Tournament . Of these five teams, two were JROTC teams (5999J and 5999W). Both team 5999J and 5999W performed exceptionally well as both made it to the semifinals. 5999J won the entire tournament which gave them a qualifying bid to the TN State Championship in Spring of 2019.
