WHY: TO FURTHER IMPROVE OUR CHS CADET BATTALION WITHIN THE CMSS DISTRICT'S ARMY JROTC HIGH SCHOOLS. **OUTCOMES:** THE RESULT BEEN A SUCCESSFUL MONTH OF HEALTHY COMPETITIONS WHICH BOOSTED OVERALL MORALE FOR THE WILDCAT BATTALION'S CADETS AND TEAMS.

During the month of December, The Clarksville High School Wildcat Battalion participated in and hosted various competitions. We participated in The Red River Brigade Drill and Color Guard Competition, hosted by Kenwood High School's Army JROTC, and the JROTC DAI sponsored JLAB Competition. Our Drill Team did not place in the RRB team event categories, however two of our cadets, Crystal Calderon and David Vinci, placed 1st and 5th respectively in the Unarmed Individual Knockout competition. Clarksville High School JROTC hosted the U.S. Army High School Challenge for the entire student body on 5 December 2018. One team consisting entirely of JROTC cadets maintained the fastest time of the day for the High School Challenge earning overall bragging rights and prizes! Our JLAB Academic Team also earned 1st Place on 13 December 2018. Further, we hosted The Cadet of the Month Board where LET I Crystal Calderon scored highest overall, winning the board and earning a promotion! This month has been shortened due to the start of the Holiday Winter Break, but as usual we have stayed busy and enjoying life! "GO WILDCATS"
