

Clarksville High School

JROTC Program

Clarksville-Montgomery County School System
Clarksville, Tennessee

Who: CHS JROTC Program

What: Color Guard and CHS Hosted JLAB Competition

Not Pictured: Ribbon Audit, Color Guard, Dodgeball Tournament and Battalion Formation

When: January 15th, 17th

Not Pictured: January 22nd and 24th

Where: All events this month took place at Clarksville High School

Why: To facilitate school events; Ensure proper uniform wear and ribbon accountability; Plan, Participate and Host friendly competitions.

Outcomes: Our Color Guards expertly presented our National and School Colors during sporting events. All Cadet uniforms were checked for authorized ribbon wear and placement, with further verification in JUMS by our S-1 and S-3. Our JROTC Dodgeball team placed 2nd in the CHS “Spring Spirit Week” tournament. We successfully hosted a fun and interactive JLAB competition with four other district JROTC programs attending.

January has been an amazing month for leadership and growth within our “WILDCAT BATTALION”! Considering the holiday break that led to a late start in January, we have attended and hosted quite a few events this month. Completing multiple color guards, our school presentations of the national colors further benefitted us for the upcoming Drill and Color Guard competitions. Hosting our JLAB competition, this event was the conduit for our Cadets by improving our staff action planning and execution of defined missions. Cadet Senior Leaders performed a full ribbon audit to verify accuracy and ensure our JUMS data is updated properly. These activities have made for a fun and productive month for our Cadet Battalion. We are all looking forward to multiple events which are approaching in February 2019.

“GO WILDCATS!”
