

Clarksville High School

JROTC Program

Clarksville-Montgomery County School System
Clarksville, Tennessee

Who: CHS JROTC Program

What: (From top left to bottom right) CMCSS, DAI, Staff Assistance Visit; JROTC Ball Color Guard; Members of the Queen and Court

Not Pictured: Booster Club Meeting

When: March 4th, March 8th, March 16th

NP: March 12

Where: Clarksville High School (CHS), Wilma Rudolph Event Center (WREC), WREC

NP: CHS

Why: Our annual Staff Assistance Visit ensured our battalion is kept up to par; Our Color Guard presented the National Colors for the county-wide Academic Banquet honoring those students with exceptional academic success; We co-hosted a JROTC Ball to introduce cadets to formal events and military protocol; Our Booster Club Meeting informed cadets and parents of upcoming events in April and May.

Outcomes: Our Battalion grew through the learning processes of the Staff Assistance Visit and the JROTC Ball. Cadets were also able to conduct a routine Color Guard for an Academic Banquet and receive information from the Booster Club Meeting for future opportunities.

The month of March for the Wildcat Battalion provided many leadership and learning opportunities. The recent Staff Assistance Visit went well as our cadets showcased their projects and Digital Cadet Portfolios. This month also included our JROTC Ball, co-hosted with our sister battalion, the Montgomery Central High School "Indian Battalion", which served as a learning opportunity for new cadets and a formal event to celebrate this school year's accomplishments thus far. As March continues, we head into Spring Break and look forward to seeing the cadets when we return to school on 1 April 2019. "GO WILDCATS."
