Outcomes: We ended our 2019 JROTC School Year on multiple high notes of success and welcomed our new Cadet Battalion Leadership for School Year 2019-2020.

The month of April for the Wildcat Battalion served as a transitional period between the 2018-2019 Cadet Leadership and the upcoming school year of 2019-2020 new leaders. Next year's battalion leadership has begun learning their duties and responsibilities from the outgoing Cadets. This time of year is always bittersweet, as we said farewell to our departing LET IV's and Seniors and welcome our new leadership. As April continues, we approach May's final exams with academic commitment and wish the best of luck to our Cadets during this assessment time. "GO WILDCATS!"
