Why: Our LET III/Juniors held a meeting with Mayor Joe Pitts taking their first steps in planning for their LET IV/Senior Service Learning Project (SLP); We held a surprise party for LTC Kueter to commemorate his departure from the Wildcat Battalion; We participated in the Mt. Olive Cemetery cleanup providing cadets an opportunity to earn service hours; We bid our seniors a bittersweet goodbye at their graduation.
Outcomes: We began the important first steps into next year's LET IV/Senior SLP and celebrated our Senior Army Instructor's next steps in life. We successfully completed all the tasks left to finish for the school year, participated in the Mt. Olive Cemetery clean up, and watched our LET IV/Seniors graduate starting the next phase of their lives.

The month of May for the Wildcat Battalion served as a bittersweet goodbye to both our beloved LET IV/Seniors and Clarksville High School's very own LTC Kueter. We kept things celebratory with an instructor farewell party and a heart-warming graduation day. We began next year's missions by getting a head start on the LET IV/Senior SLP and further deciding our Continuous Improvement Project (CIP). As May continues, we are saying plenty of goodbyes and wish nothing but the best for LTC Kueter and his family. "GO WILDCATS."
