JROTC PROGRAM CLARKSVILLE, TENNESSEE

Cadet 1LT Bryanne Brock of Northeast High School's JROTC Program began her NHRA Junior Drag Racing career at the age of seven and has made over 200 final round appearances while traveling to five different states. Her most notable accomplishments include three time track championships at Clarksville Speedway, two time NHRA Championships, and winner of The Battle of The Belt. As a Honor Roll student at Northeast High School, Cadet Brock attributes much of her success, on the track and in the classroom, to the leadership skills gained through the JROTC program.
