Outcomes: We have set a high standard for our 2019-2020 school year goals, but have established a solid bases of standards and goals to achieve them. The incoming and returning cadets are motivated to start the new school year off the right way!

The month of August for the Wildcat Battalion served as a development period for the incoming cadets, and returning leadership. The Battalions leadership started off the school year welcoming in the new LET I's at freshman orientation, and kickstarting the big year off with an early staff meeting. The cadets were also enthusiastic to see their decorated uniforms again after a summer break away; while some were preparing to begin their new journey within the program. Finally, during our most important high school football game of the year, the Warfield game versus Rossview, our ColorGuard got to show off their skills, just warming up for a competitive year!
