Wednesday 21, August, the Northeast High School Battalion Icebreaker. The day started off with a push-up contest between LET levels with the LET IIIs winning, then we transitioned into a relay race, the winner also being the LET IIIs. Next was the tug of war event, somehow, the LET IIIs won again, which brings us to the last event. A new five vs five soccer tournament took place between the LET levels leading once again, the LET IIIs to a victory. After we finished with the events, the spirit award was given to the LET III class. Colonel gave a small speech thanking all for coming as an end to a very successful day. All that came enjoyed their time and had great fun. –WE FLY HIGH
