The month of October for the Wildcat Battalion served as a team building experience for all cadets. The Battalions special teams (Raiders and Drill) began and finished the planning of our hosted competition, and pulled off an outstanding event for all schools to enjoy. The cadets were also enthusiastic about working together at the first car wash of the year! Finally, a large number of cadets showed their pride in our community by assisting the Barksdale and Norman Smith Elementary School faculty in order to provide a memorable experience for children at their fall festival.
