## West Creek High School Clarksville-Montgomery County School System Clarksville, Tennessee

**Who:** WCHS cadets and A/V production students

**What:** WCHS live streamed jeopardy game

**When:** 4 October 2019

**Where:** West Creek High School

**Why:** To improve intra-school department collaboration.

**Outcomes:** Cadets demonstrated their knowledge and the A/V students were able to develop and improve their production skills

A collaborative event between JROTC cadets with the A/V production students in which cadets served as contestants in a “jeopardy” style production. Select cadets developed JROTC specific questions and the A/V students developed general knowledge questions. Each LET level competed against each other while the A/V students produced a live stream and recorded video.

Clarksville-Montgomery County School System  
Clarksville, Tennessee

**Who:** WCHS Color Guard  
**What:** Clarksville Walk to End Alzheimer  
**When:** 5 October 2019  
**Where:** Liberty Park in Clarksville, Tennessee  
**Why:** Provide support to the annual Alzheimer event  
**Outcomes:** The opening ceremony successfully launched this annual event

The Chairperson for the Clarksville, TN Walk to End Alzheimer requested West Creek High School JROTC Color Guard to be present during the opening ceremony. The cadets participated in the public event that kicked off the annual walk to help raise funds to fight this debilitating disease.

## West Creek High School Clarksville-Montgomery County School System Clarksville, Tennessee

**Who:** 7th JROTC BDE, CMCSS DAI Office, WCHS JROTC, WCHS Administration, TN NG leadership, and Partners-In-Education sponsors

**What:** Leadership Confidence Course (LCC) ribbon cutting ceremony

**When:** 22 October 2019

**Where:** West Creek High School

**Why:** To provide further opportunities for improved physical fitness and mental confidence

**Outcomes:** LCC ready for use by all CMCSS cadets

The confidence course was built to allow JROTC cadets within the district the opportunity to build stronger leadership and endurance through challenging physical activities. Construction was conducted by the TN National Guard and sponsorship was provided by multiple Partners in Education members.
