## Northeast High School

### JROTC Program

Clarksville-Montgomery County School System  
Clarksville, Tennessee

**Who:** The SLP Team

**What:** Service Learning Project

**When:** February 15th, 2020

**Where:** Billy Dunlop Park

**Why:** Billy Dunlop Park was severely damaged by a recent storm. As part of the restoration project NEHS Cadets and the City of Clarksville planted 25 new trees along the Red River.

**Outcomes:** The cadets involved all learned teamwork and participated in physical activity. The City Forester also taught all of the Cadets some basic tree planting skills and conservation concepts.

On February 15th, the Northeast High School service learning team ventured to Billy Dunlop Park where they planted 25 trees along with the City of Clarksville. Service learning not only benefits the community but also the Cadets. During the project the cadets learned discipline skills and learned to work together to accomplish various tasks. The project was a great success and we will continue to spread our wings and to travel upon our path towards a stronger battalion.—WE FLY HIGH
