

UNITED STATES ARMY CADET COMMAND

WHO: Rossview High School JROTC-Robotics Team

WHAT: 2020 Northeast VEX Robotics State Championship

WHEN: February 1st, 2020

WHERE: Northeast High School

WHY: To obtain knowledge about robotics competitions and collaborate with other competitive teams.

OUTCOMES: Cadets applied the values of teamwork and leadership.

SUMMARY:

The Rossview Robotics team traveled to Northeast High School to participate in skills field training. Along with that, they collaborated with other competitive teams and familiarized themselves with the robotics competition structure.
