Who:
West Creek JROTC

What:
National Historic Site
Clean-up

Where:
Mount Olive
Cemetery

When: 25 APR 2021

Why: Continue
support to this
historic site

On 25 April 2021, several West Creek Cadets once again ventured out to Mount Olive Cemetery (an historic African-American cemetery & National Historic Landmark) to help maintain the grounds so all of Clarksville may continue to show their respects to all those interned there. WCHS is proud that our continued support has played a small role in turning this once lost cemetery into a National Historic Landmark and a location where all Clarksvillians can learn about the impact these individuals had on our community.
