

UNITED STATES ARMY CADET COMMAND

- **Who:** NEHS Claws of the Eagle Battalion JROTC Robotics Teams
- **What:** VEX Robotics World Championships
- **When:** 18 May 2021
- **Where:** Northeast HS
- **Why:** Virtual competition to determine the best JROTC Robotics teams in the Nation
- **Outcome:** Cadets worked together throughout the year to build and refine their robot for competitions. Cadets practiced teamwork and STEM principles to achieve maximum scores in game play. Team 5999A placed 1st in the Skills competition and won the Judge's Award; Team 5999J took 14th in the skills competition.
