SUMMARY:

Cadet Captain Kaden Santos-Hien completed his Eagle Scout Project and presented it to the Rossview High School JROTC Program. The Knot Board reflects all the knots that cadets in the Clarksville-Montgomery County School System learn and utilize as members of JROTC. This training board shows how to tie each knot in a step-by-step method that will be utilized by cadets throughout the district during the school year and at the annual JROTC Cadet Leadership Challenge (JCLC) Summer Camp.
