

UNITED STATES ARMY CADET COMMAND

WHO: Montgomery Central High School (MCHS) JROTC "INDIANS" Battalion

WHAT: Montgomery Central High School CyberPatriot Standard Camp

WHEN: Week of 7-11 June 2021

WHERE: Montgomery Central High School, Cunningham, TN

WHY: To start a Cyberpatriot program in the school for those cadets interested in furthering their knowledge of cyber security and to kickoff the CyberPatriot national competition training season.

OUTCOMES: Provide a fun hands-on learning environment to learn the foundation of cybersecurity principles. The cadets now have the foundation for more advanced concepts and principles as they advance their knowledge and experience of the CyberPatriot program.

Cadets from Montgomery Central High School hosted its first CyberPatriot Standard Camp. During the week of the camp the cadets learned the basics of Cyber Security fundamentals, cyber ethics, Windows 10 security, as well as Linux security. In a fun, hands-on, relevant, and applicable to everyday life environment. The camp is the first step in preparing for the upcoming national CyberPatriot competition season.
