

UNITED STATES ARMY CADET COMMAND

Cadet Regiment CSM excelling at Army Basic Training

Recently graduated c/CSM Terrence Knight continues to excel and set the standard at Army Basic Training. Terrence was an outstanding student, leader and young man who was involved in just about every activity JROTC has to offer. The Cadre and Cadets are very proud to see that Terrence continues to perform at a high level...but then again, we expected nothing less from this fine young man. Way to go Terrence! Keep up the good work.
