*On 28 August 2021, our Raider team took part in the opening Raider competition of the year. This year's Raider team is very young. Though experience is at a premium these Raiders show a ton of potential. In the first Raider competition of the year our Raiders took home a strong second place finish. Second place is a position our Raiders are not accustomed to so they are already back home at the "Creek" putting in extra work to get back to their normal first place finish. The sky is the limit for this group and we look forward to more strong performances.*
