

UNITED STATES ARMY CADET

Who: Clarksville High School JROTC Cadets

What: Foundation Building for Improving Academic Performance in support of annual Continuous Improvement Project (CIP)

When: Thursday September 30th, 2021

Where: CHS JROTC Classroom

Why: Students have faced numerous challenges over the last 18-24 months impacting their academic performance. To establish a more firm academic foundation for our Cadets, a member of the school's guidance office shared the day with the JROTC department covering numerous topics identified by the LET 4 cohort that would be beneficial for underclass Cadets to know. These topics included, but were not limited to, knowing and understanding what academic resources and tools are available.
