On 11 December 2021, the WCHS JROTC Drill and Marksmanship teams competed in the 24th annual Red River Brigade Invitational. This illustrious competition consisted of all CMCSS JROTC programs as well as teams from around the region. Both our Drill and Marksmanship teams continued their tradition of competing at a very high level. Our JROTC Coyotes earned several trophies across multiple categories. Once all the points were tallied our Drill team secured the Grand Champion trophy and our Marksmanship team claimed first overall in the First Year Sporter category and the Advanced Sporter category.
