

# UNITED STATES ARMY CADET COMMAND

**What:** Community Emergency Response Team (CERT) Course Exercise

**Where:** Clarksville High School (CHS) JROTC

**When:** Tuesday, January 25 2022

**Who:** LET 4 Cadets from the CHS JROTC Battalion participated in an activity that challenged their ability to work together successfully with limited resources and under limited time. To successfully accomplish the task, Cadets had to design and build a free-standing tower that stood over 5 feet tall from the bottom of the structure to the top.
