Former West Creek JROTC Cadet appears on Fox News national broadcast highlighting the CMCSS Teacher Apprenticeship Program. We are proud to recognize Malachi as a West Creek HS and Coyote JROTC alum. Malachi is a great example of the positive impact WCHS and Army JROTC can have on students. This young man set goals for his future and is now working hard to reach those goals. Malachi, we can't wait to see you in the classroom full-time. We have no doubt that you'll be that positive influence that helps kids develop into positive members of our community.
