The WCHS JROTC Raiders have taken the beach in Daytona, FL. Our Raiders were once again back to compete in the JROTC National Fitness Championships. Though the scenery is nice, this is an extremely grueling test of individual and team fitness. Needless to say, our Raiders performed very well with top 5 finishes in 3 out of five events. Well done Raiders, it's tough to reach the top and even tougher to stay there...WCHS Raiders always out front?
