*The Red River Brigade's Office of the Director of Army Instruction, conducted its annual Junior Reserve Officer Training Corps (JROTC) Teacher In-Service Training at the CMCSS-South Building, on 2-3 August 2022. The two-day training sessions focused on providing teacher's an overview of the JROTC curriculum, community engagement opportunities, and an overview of Army and District- level policies and procedures. Guest speaker's from the District's Instructional Team, Austin Peay State University, the county's local Veteran's Service Organization, and non-profit organizations like the Travis Manion Foundation, provided a wealth of information to our teachers to help them prepare for the upcoming school year. The District on-boarded seven new JROTC teachers for this upcoming year. The theme for this year's training was "Organizational Culture Matters." which stresses the importance of welcoming new people and ideas into an organization while maintaining the organization's essential foundations that have made the program one of the best in the region.*
