U.S. ARMY

SUMMARY: To enhance the Esprit-de-Corps of the Program, c/LTC Rachel Cassella used her artistic talents to hand draw the unit poster for each of the Hawks Battalion Companies. Using the Procreate app, she invested 64 hours into creating the four posters. At the end of the 2021-2022 school year, each company selected a motto and a mascot to rally around during the next school year. They chose the HHC Hawks, A Company Alligators, B Company Buffalos and the C Company Cobras.
