On September 11th, 2022, Cadets from WCHS JROTC had the privilege of supporting the 2/94th Artillery Regiment (Viet Nam Veterans) annual reunion. One of the program outcomes for Army JROTC is to value the role of the military. The opportunity to support this reunion truly paid dividends in supporting Army JROTC program outcomes. A price cannot be attached to what our Cadets received by being able to work and talk with these Viet Nam veterans. Thank you 2/94th Artillery Regiment veterans, your impact on WCHS Army JROTC will be long-lived.
