

UNITED STATES ARMY CADET COMMAND

Who: Northeast High School Robotics and JROTC Robotics Teams

What: White House 7th Annual VEX Winter Tournament

When: 28 January 2023

Where: White House High School – Annex, White House, TN

Why: To compete in their skills set against schools from across the state to improve their robotics skills, improve their teamwork, learn to solve problems in a stressful environment and meet and interact with other robotics students.

Outcomes: Congratulation to the NEHS Robotics Team 5999S. The NEHS JROTC Team 5999J also completed and learned a great value in teamwork and solving problems in a tense environment.
