On 11 February 2023, our Air Rifle team traveled to Northwest High School to test themselves against some of the best Air Rifle teams in the region. Though the competition was stiff, SFC (R) Slate, our air rifle coach, led both the 1st year marksman team and the Advanced marksman team to first place in their respective divisions. On the individual award side, Cadet Basnet earned the Top Shot award for 1st year marksman. Congrats to all...Great job representing "THE CREEK".
