

# UNITED STATES ARMY CADET COMMAND

**Who:** Northeast High School JROTC CERT (Community Emergency Response Team) class

**What:** EMS personnel demonstrated life saving equipment to the Cadets and Health & Science students

**When:** 20 April 2023

**Where:** Northeast High School, Clarksville, TN

**Why:** To inform students of the latest technology, life saving equipment (CPR) and how EMS provide service to you and the community.

**Outcome:** CERT Cadets (LET 4), LET 1's, and Health & Science students received valuable information of how the EMS service works. All groups asked questions and some students decided to go into the medical field. Go Eagles!
