

UNITED STATES ARMY CADET COMMAND

Who: Northeast High School JROTC Robotics Team

What: 2023 JROTC Robotics World Championship Competition at VEX

When: 26-30 April 2023

Where: Kay Bailey Hutchison Convention Center, 650 South Griffin St., Dallas, TX 75202

Why: To bring together the top VEX Robotics Competition teams from around the globe to celebrate their accomplishments and compete to be crowned champions.

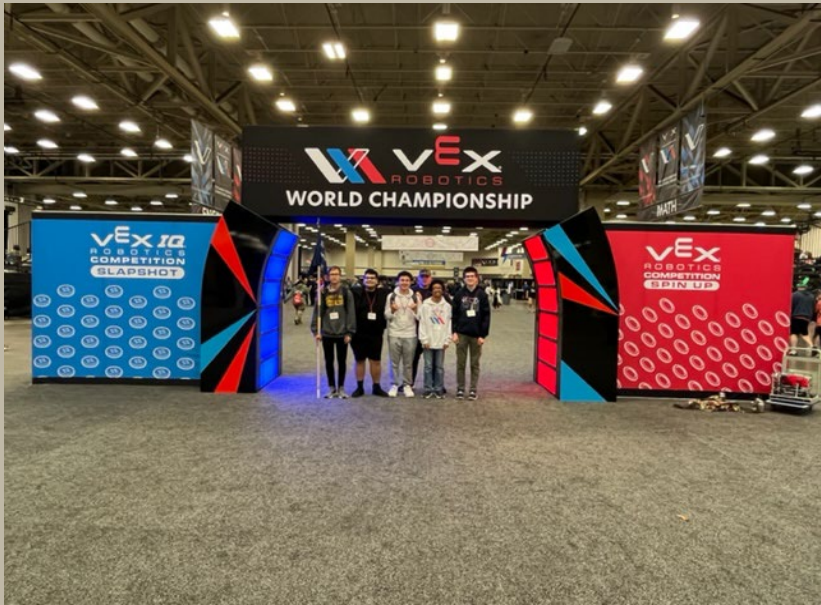

Outcome: Team 5999J has performed tremendously well despite Murphy's Law at the 2023 VEX Robotics World Championship. Overall this team accomplished a lot this season and they made it to the World Championship and completed among the best and brightest peers in their category. It is a honor and testimony of their character in the way they connected with other people who needed help with their robotic(parts) and at the same time working and preparing (time constraint) for the next match.

Go Eagles!
