On 5 May 2023, Two former West Creek JROTC Cadets graduated Austin Peay State University (APSU) and commissioned as 2LTs in the US Army. Tyler Gilbert was commissioned in the Ordnance Corps (EOD) and Kelly Rodriguez was commissioned in the Quartermaster Corps. Both Tyler and Kelly were leaders during their time at WCHS and they continued this leadership at APSU. We have no doubt they will continue to be amazing leaders for the best team on earth...The United States Army. Congrats Tyler and Kelly.
