

# UNITED STATES ARMY CADET COMMAND

**WHO:** Cadets from Montgomery Central (MCHS) and Clarksville High Schools (CHS)

**WHAT:** Cyber Security Summer Camp – CyberPatriot Program

**WHEN:** 26-30 June 2023

**WHERE:** Montgomery Central High School , Cunningham, TN

**WHY:** Provide select cadets an opportunity to learn the basics of cyber security protocols and provide an overview of careers within the cyber security industry, cyber ethics, online safety, and cyber threats.

**OUTCOMES:** Cadets participated in a five day summer camp that introduce them to the world of Cyber-Security while increasing their interest in the JROTC Cyber Patriot co-curriculum. Cadets walked away with a better understanding of internet security and the benefits of a career in the cyber security industry.

U.S. ARMY

**Cadets from Montgomery Central and Clarksville High Schools participated in a week-long Cyber security camp hosted by MCHS. Twelve cadets completed the training and gained a new found knowledge pertaining to Cyber Security career paths and an better understanding of fundamentals of Cyber-Security.**
