Who: American Red Cross Association , West Creek High School.

What: Blood donations for the American Red Cross.

Where: West Creek High School 1210 West Creek Coyote Trail, Clarksville, TN 37042 .

When: September 14th 2023.

Why: We as WCHS wanted to donate blood to those in need through the American Red Cross

The American Red Cross needed blood for the recent blood donation crisis that is currently happening. West Creek with it constant yearly tradition wanted to step up to the game and have a school wide blood drive to support the community. Our cadets were at the event and worked the event and then donate blood to the event.
