Outcome: The NEHS Cadets brief their part of the “Mix-up in the Union Command” and gain an appreciation of how the battlefield was shaped in the past and present. The Battle of Chickamauga, the biggest battle ever fought in Georgia, took place on September 18-20, 1863, during the Civil War (1861-65). With 34,000 casualties, it is generally accepted as the second bloodiest engagement of the war; only the Battle of Gettysburg in Pennsylvania, with 51,000 casualties, was deadlier.
