

UNITED STATES ARMY CADET COMMAND

Who: Northeast High School JROTC Rifle team

What: Viking Battalion Air Rifle Shoulder to Shoulder to Shoulder Air Rifle Competition

When: 18 November 2023

Where: Northwest High School, Clarksville, TN

Why: To see how well target shooting Cadets develop their fine motor control skills, coordination, self-control, and mental discipline skills, and above all must demonstrate strict obedience to safety rules.

Outcome: Cadets from both "Advanced Sporter" and "First Year Sporter" show their marksmanship skills during their first face-to-face competition with other JROTC Cadets. The results of the three positions (Kneeling, Prone, and Standing) as a team, we need to continue to practice and sharpen our skills to perform better in the next competition.
