SUMMARY: On Veteran's Day, the Golden Corral provided free meals to all Veterans during a special five-hour event. To officially open the event, RHS cadets provided a Color Guard that presented the Colors while guests sang the National Anthem. The Cadets then assisted the employees of the Golden Corral by serving as greeters, bussing tables, seating guests, washing dishes, assisting in the Bakery and helping Veterans with mobility issues carry their plates from the buffet line. Twenty Eight Cadets worked during the event and assisted in feeding 1252 Veterans and their families.
