

# UNITED STATES ARMY CADET COMMAND

**Who:** Northeast High School JROTC S4 (Supply/logistics) Cadets  
**What:** Military Property Specialist (MPS) for a day  
**When:** 1 December 2023  
**Where:** Director of Army Instruction (DAI) Warehouse (Rear CMCSS-SOUTH BLDG), Clarksville, TN  
**Why:** To give volunteer Cadets the opportunities/experience to sort, document, and organize uniform turn-in procedures from DAI warehouse to Ft. Campbell

**Outcome:** The MPS program is intended to provide you with a basic understanding of the JROTC Unit Supply Management System (JUMS), while providing hands-on training in supply management and accountability procedures. Cadets successfully gain a lot of experience(s) in the S4 logistics duties and responsibility processes. They enjoy time meeting other Cadets within CMCSS district and learning from each other.
