SUMMARY: During the week of 1 through 3 April 2024, the Cadets of the Hawks Battalion put their training to the test as they went through Red Cross Certification Evaluations for Cardiopulmonary Resuscitation (CPR), Automated External Defibrillator (AED) and Basic Life Support (BLS). At the end of training, 142 cadets had earned their CPR/AED/BLS Certification from the Red Cross and were issued their Training Certificates and Wallet Cards.
