

UNITED STATES ARMY CADET COMMAND

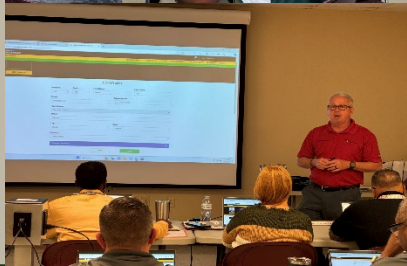

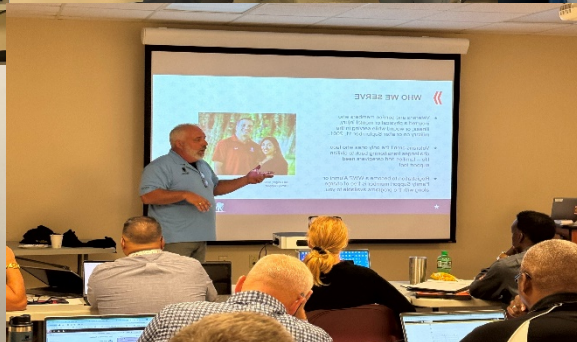

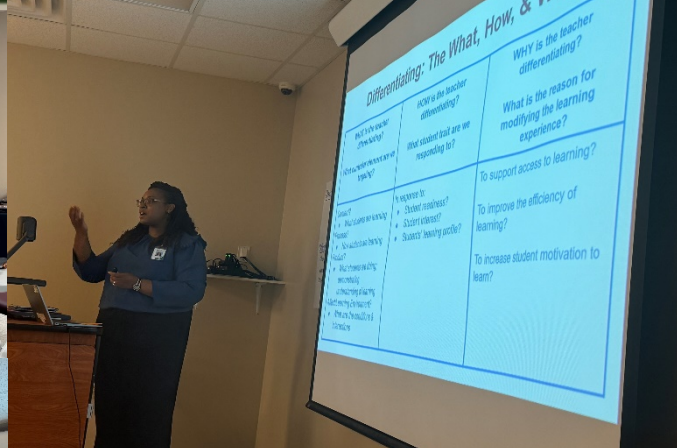

Who: CMCSS JROTC Department

What: SY 24-25 Annual In-Service & Professional Development Training

Where: CMCSS-South Complex, Clarksville, TN

When: 1-2 August 2024

Why: To prepare JROTC Teachers for the upcoming SY and meet CMCSS and Cadet Command's policy requirements.

The Office of the Director of Army Instruction successfully completed annual In-Service Training for the Department's twenty three members. Guest Presenters from Clarksville Montgomery County School System (CMCSS) New Teacher Induction Team, APSU ROTC, West Point Academy Field Representatives, Cadet Portfolio Team, and the Wounded Warrior Project provided high-quality classroom instructional practices and community outreach opportunities designed to prepare JROTC teachers for the upcoming School Year. The two-day professional training seminar satisfies TN state licensure requirements and will help ensure our teachers meet the District's Goal to educate and empower our students to reach their full potential and will graduate college and career-ready.
